Secy. to Govt: Genl & Rev: Depts.

Sir

With reference to Government Proc: No. 841-20 & 1229-8 dated 3rd December 02, sanctioning grants from Local Funds General, for execution of certain works during the current year, I have the honor to forward for sanction of Government the accompanying Estimate of Rs 4144, received from the Superintending Engineer, Eastern Circle, for Special Repairs of Bangalore Suburban Roads, for which an allotment of Rs 3750 has been sanctioned in the above proceedings. The estimate has been countersigned by the President, District Fund Board and provides for the usual charges of establishment and Tools and Plant.

2 But as the roads in question are being maintained from District Funds by the

the P.W. Department, I think it advisable that the grant of Rs 3,750 for the work + 17½ per cent on account of establishment charges should be sanctioned as a grant-in-aid to the District Fund Budget grant of the Bangalore District to enable me to sanction the estimate and have the work carried out.

I have the honor to be,
Sir,
Your most obedient servant,
J. Cumberlege Colonel,
Chief Engineer & Secretary

A.P.J.
